The screenshot shows a web browser window with the URL signsource.com/courses/sign-source-for-secondary-school-northern-ireland/. The page content includes a paragraph about signed songs, an email address anthony@thisissignsource.com, and a section titled "Course Content" with a list of six sessions, each with a radio button for selection.

We have also included a range of signed songs which many schools use for assemblies, concerts or for a bit of fun! There are a range of songs to accommodate different school environments however, we are happy to work directly with schools to 'take requests'!

All the best with the course and I look forward to hearing about your students' progress and seeing some great presentations in a few weeks! If you have any questions about the course or about anything related you can email: anthony@thisissignsource.com

Thank you
